

POPPIES DAYCARE NURSERY LTD.

Holiday Club and Before and After School Club

Homework Policy

Poppies before and after school club is not a homework club, the emphasis is on play and leisure after a busy day at school. If children want to complete homework staff will support this. We offer opportunities to enhance learning through a variety of activities, and time to recuperate after the school day.

Staff will support and supervise if a child wishes to complete some homework/reading while at the after school club but will not be able to sign any homework sheets and we do not accept responsibility for correcting any mistakes. We therefore suggest that parents check any homework their child may have done during after school club.

If a parent requests that we complete homework at the after school club we will endeavour to accommodate this with the child for a period of 30 minutes. No child will be forced to complete homework if they do not want to; we will feed this back to the parent on collection.
